## About Us

**NIREM Service Team** is a Partnership company established on Aug, 2021, a sister concern Company of **Naahar Industrial Equipment's Company Ltd (NIECOLTD)** which was established in the year 2012 providing services to industrial customer in Bangladesh territory since its establishment.

## NIREM Service Team

We provide comprehensive maintenance and engineering services to our valuable clients in Bangladesh for Rotary Machines such as Turbine, Compressor, Pump, Fan, Blower, Conveyor Belt, Transmission system etc., Static equipment such as Boilers, Vessels, Heat Exchangers, Coolers, Condensers, Pipe Lines, valves etc., Electrical Equipment such as Generators, HT Motor, LT Motor, Switch Gear, Circuit Breaker etc., Instrument such as Control valves, Controller, PLC, DCS system etc.

**NIREM Service Team** is a leading maintenance team having strong technical skills and commercial know-how in Fertilizer Industries, Oil Refinery, Gas Field, Petrochemical Industries, Power Plants and other heavy industries.

We provide maintenance and overhauling services with small overhead costs by our skilled & Highly Competent service team comprising experienced engineers and technicians, who have independent capabilities for troubleshooting, overhauling, installation, commissioning of different industrial equipment.

We have a team with low managing costs having a great knowledge of the market and all its features, aiming to flexibility and passion for a better customer satisfaction.

## Mission

To provide maintenance services for different heavy industries efficiently and effectively.

## Vision

Engaging skilled manpower for industrial development in Bangladesh.

## Messages from Managing Partner

**Md. SAIFUL ISLAM**  
Managing partner  
NIREM Service Team

**NIREM Service Team** established for providing different types of maintenance services for Rotating Machine, Static Equipment, Electrical Equipment and Instruments. It has a team of experienced engineers & skilled technicians and is proud to announce various new services to support in every sector of industries. Our aim is to provide for industrial development of Bangladesh and to make skilled manpower in our country.

**NIREM Service Team** is working hard to be your trusted service provider. We hope your support in future to make the company successful.

## Organogram of NIREM Service Team

## Related Service:

**NIREM Service Team** has experience for maintenance, Overhauling, Installation & Commissioning work of Fertilizer Industries, Oil Refinery, Gas Field, Petrochemical Industries, Power Plants and other heavy industries for the following services:-

### **Rotary Machine Maintenance**

This Team is capable of performing maintenance of different types of Rotary Machines such as Turbine, Compressor, Pump, Fan, Blower, etc. to keep plant running with reliability for longer period and avoid any unwanted downtime. We can provide a one-stop-solution across the entire facility. Also this team has experience of Solid Handling system consist of Conveyor Belt, Re-claimer, Packer Scale, Sewing Machine, Gearbox, related control system etc.

## Static Equipment Maintenance

We are vastly experienced for providing total plant maintenance services for Static Equipment such as Boiler, Vessels, Heat Exchangers, Cooler, Condensers, Pipe Lines, valves etc. We have trained specialists to cope with all types of planned maintenance, corrective maintenance, shutdown, emergency maintenance etc. We can provide services for machine shop work, welding and fabrication, Inspection (NDT, PT) activities, Industrial Insulation (Hot & Cold), Refectory and Castable works, Painting, Scaffolding, Rigging activities etc.

## Instrument Maintenance:

**NIREM Service Team** has significant experience in delivering complete instrumentation Solution such as Control valves, Controller, PLC, DCS system etc. We understand the challenges of industries to reduce operational costs minimize downtime and optimize plant efficiency.

## **Electrical Equipment Maintenance:**

The team has experience for maintenance work of different electrical Equipment such as Generators, HT Motor, LT Motor, Switch Gear, Circuit Breaker etc

## Our Clients

- Fertilizer Industries
- Oil & Gas Field
- Chemical & Petro Chemical
- Sugar & Food Processing Industries
- Pulp & Paper
- Power Plant
- Cement Plant
- Refinery
- Steel & Re-Rolling Industries

## List of Engineers

# EXPERTS OF ROTATING EQUIPMENTS

A lot of Experienced Engineers and Skilled Technicians are attached with **NIREM Service Team**.  
A few of them are as follows-

### **Engr. Md. ZARZIS ALI**

#### **Former Managing Director**

Shahjalal Fertilizer Company Limited (SFCL)

Fenchugonj, Sylhet

**Education:** BSc in Mechanical Engineering, Rajshahi Engineering College (Presently RUET)

IEB fellow no: F-9399

**Professional Experience:** 32 years professional experience in different Industries of BCIC (SFCL, TICI, UFFL) on Rotary Machine Maintenance such as Steam & Gas Turbines, High Pressure Compressors, High Pressure Pumps fans, Blowers etc.

Provides Expert Services in Rotary Machine Maintenance in CUFL, AFCCL, JFCL, SFCL, UFFL, KPM etc.

**Training:** Foreign trainings in India, Japan, Indonesia, Malaysia and Denmark.

## EXPERTS OF ROTATING EQUIPMENTS

### **Engr. MANWAR AHMED**

#### **Former Senior GM (MTS) BCIC**

**Education:** BSc in Mechanical Engineering, BUET

IEB Life Fellow no: F- 4366

**Professional Experience:** 30 years professional experience in different factories of BCIC (UFFL, CUFL, AFCCL, UGSFL, Magura Paper Mills Ltd etc.) on Rotary Machine Maintenance such as Steam Turbine, Gas Turbine, Synthesis Gas Compressors, High Pressure Pumps, Rope way, Blowers etc. Provides expert Services on Rotary Machine maintenance in CUFL, AFCCL, JFCL, SFCL, PUFFL, UFFL etc.

**Training:** Foreign training in India, Japan, Indonesia and UK.

### **Engr. Md. AHSANUZZAMAN**

#### **Former Managing Director**

Jamuna Fertilizer Company Limited, Tarakandi, Jamalpur, Bangladesh

**Education:** BSc in Mechanical Engineering, CUET

IEB Life fellow no: F-5086

**Professional Experience:** 31 years professional experience in different Industries of BCIC (AFCCL, JFCL, KPM, CCCL, Magura Paper Mills Ltd etc.) on Rotary Machine Maintenance such as Turbine, Compressors, Pumps, Rope way, Conveyor System etc. Provides Expert Services in Rotary Machine Maintenance in CUFL, AFCCL, SFCL, JFCL, PUFFL, UFFL etc.

**Training:** Foreign trainings in Indonesia, UK and Sweden.

## EXPERTS OF ROTATING EQUIPMENTS

**Engr. ANISUR RAHMAN**

**Former Acting GM (MTS)**

Jamuna Fertilizer Company Limited (BCIC)

**Education:** BSc in Mechanical Engineering, Chittagong Engineering College

**Professional Experience:** 27 years professional experience in Fertilizer Factory (UFFL, JFCL) of BCIC, on Rotary Machine and Maintenance such as Steam, Turbine, Compressor, Pump etc. Provides expert service on rotary machine maintenance in CUFL, DAPFCL, AFCCL, SFCL for different duration.

Worked as a Technical Advisor in Progoti Engineering Works.

**Training:**

- “Management Training for Engineers” conducted by BMDC, Dhaka.
- “Vibration Analysis in Troubleshooting in Rotating Machineries” arranged by TICI, Ghorashal, Narshingdi.
- “Disaster Management Training” conducted by Regional PATC Shahbag, Dhaka.

**Engr. NIKHIL CHANDRA SUTRADHAR**

**Former Managing Director**

Chittagong Urea Fertilizer Limited (CUFL), Rangadia, Chittagong

**Education:** BSc in Mechanical Engineering, BUET

Member of IEB no: M--07813

**Professional Experience:** 32 years professional experience in Fertilizer Factory (PWFFL, CUFL, AFCCL, TSPCL) of BCIC on Rotary Machine maintenance such as Steam Turbine, Gas Turbine, Compressor, Pumps etc.

Provides Expert Service on Rotary Machine maintenance in CUFL, AFCCL, KPM, UFFL for different duration.

**Training:** Foreign training in India, Indonesia, Italy and Switzerland.

## EXPERTS OF ROTATING EQUIPMENTS

**Engr. Md. Shafiqul Islam Akanda**

**Former Managing Director**

Ashugonj Fertilizer Chemical Company Limited (AFCCL)

**Education:** BSc in Mechanical Engineering, BUET

IEB Life fellow no: F-4326

**Professional Experience:** 30 years professional experience in Fertilizer Factory (AFCCL) maintenance/ overhauling works of BCIC on Rotating Equipment such as Pump, Turbine and Compressor.

Provides expert service on Rotary Machine maintenance in AFCCL and SFCL for different duration.

**Training:** Foreign training in Mechanical Spare Parts for plant maintenance under JICA, Japan.

**Engr. Md Ruhul Amin**

**Former Addl. Chief Engineer (Mech)**

Chittagong Urea Fertilizer Limited

Rangadia, Chittagong, Bangladesh

**Education:** BSc in Mechanical Engineering, BUET

IEB Life fellow no: F-6938

**Professional Experience:** 33 years professional experience in different industries of BCIC (Chittagong Chemical Complex, Dhaka Leather Co., PUFFL, SFCL, CUFL etc.) on Rotary Mechanical maintenance such as GTG, Centrifugal pumps and Compressor gear box etc.

Provides Expert Services on Rotary Machine Maintenance in CUFL, SFCL and PUFFL.

**Training:** Foreign trainings in India and China.

## EXPERTS OF ROTATING EQUIPMENTS

### **Engr. MD. NURUL AMIN**

#### **Former Manager (SE)**

Fenchagonj Combined Cycle Power Plant

Fenchagonj, Sylhet, Bangladesh

**Education:** BSc in Mechanical Engineering, RUET

Member of IEB no: M- 9829

**Professional Experience:** 31 years of professional experience in different power plant of Bangladesh Power Development Board (Sikalbaha Power Plant, baghabari Power Plant, 150 MW combined Power Plant, Kumergaon 20 MW Power Plant etc.) on operation and maintenance works such as GTG, Back Pressure Steam Turbine, Boiler, gear box etc.

**Training:** Foreign training in Dubai, China, JICA and Japan.

### **Engr. MD. ZAHIDUL ISLAM**

#### **Former General Manager (Mechanical)**

Shahjalal Fertilizer Company Limited (SFCL)

Fenchugonj, Sylhet

**Education:** BSc in Mechanical Engineering, KUET

**Professional Experience:** 32 years professional experience in different Industries of BCIC (SFCL, UFFL, Khulna Newsprint Mills Ltd) on Rotary Machine Maintenance such as Steam turbine, Gas turbine, Centrifugal and Reciprocating pump, Compressor etc.

Provides Expert Services in Rotary Machine Maintenance in SFCL, UFFL etc.

**Training:** Foreign training in India, Sweden and China.

### **Md. AZIZUL HAQUE**

#### **Former Acting GM (MTS)**

Jamuna Fertilizer Company Limited (JFCL)

Tarakandi, Jamalpur, Bangladesh

**Education:** Diploma in Mechanical Engineering

**Professional Experience:** 36 years professional experience in JFCL of BCIC on Rotary Machine such as Turbine, Compressor, Pumps, Bowlers etc. Provides Expert Service on Rotary Machine in JFCL, CUFL, etc.

## EXPERT OF STATIC EQUIPMENT

### **Engr. MOHAMMAD MONIRUL HOQUE**

#### **Former Managing Director**

Shajalal Fertilizer Company Limited (SFCL), BCIC

**Education:** BSc in Mechanical Engineering, CUET

Fellow of IEB F-6979

**Professional Experience:** 34 years professional experience in Fertilizer Factory (CUFL, UFFL, SFCL) of BCIC in maintenance overhauling work of Static Equipment such as Boilers, Coolers, Heat exchangers Vessel etc.

Provides Expert services on Static Equipment Maintenance in CUFL, SFCL for different duration.

#### **Training:**

- Training on Mechanical Maintenance for 05 months in the Netherlands on the year 1994.
- Plant Maintenance Training under JICA, JAPAN for 4 months on 2001.
- Operation Maintenance & Gas Chromatograph Program of Flow Computer under M/S Valveitalia, Italy for 21 days.
- Productivity Improvement through work study method under NPC, Malaysia for 45 days.

### **Engr. Md. ABDUL MALEK**

#### **Former Deputy Chief Engineer (Mech)**

Chittagong Urea Fertilizer Limited

Rangadia, Chittagong, Bangladesh

**Education:** Diploma in Mechanical Engineering

**Professional Experience:** 33 years professional experience in maintenance/ overhauling works of Pipe line, Valves, Static equipment such as Boiler, Heat Exchanger, Condenser, Urea Reactor, Painting Insulation maintenance etc.

Provides Technical Service for maintenance/overhauling of Static equipment in CUFL, SFCL, KAFCO etc.

**Training:** Local training in TICl, Norshindi, Bangladesh

## EXPERT OF STATIC EQUIPMENT

**Mr. Md. JALAL UDDIN**

**Former Deputy Chief Engineer**

Urea Fertilizer Factory Limited (UFFL)  
Ghorashal, Norshindi, Bangladesh

**Education:** Diploma in Mechanical Engineering, Faridpur Polytechnic Institute

**Professional Experience:** 35 years professional experience in UFFL on maintenance/ overhauling works of different types of Valves, Machine shop work, Welding activities etc. Provides Technical Service for maintenance/ overhauling works in Valves, Welding in CUFL, KAFCO etc.

**Training:** Local training in TICI, Norshindi, Bangladesh

**Mr. Md. SHAFIQUR RAHMAN**

**Former Deputy Chief Engineer (Mechanical)**

Chittagong Urea Fertilizer Limited  
Rangadia, Chittagong, Bangladesh

**Education:** Diploma in Mechanical Engineering, Dhaka Polytechnic Institute

**Professional Experience:** 35 years professional experience in different industries of BCIC (UFFL, North Bengal Paper Mills, CUFL) on maintenance and overhauling activities of Static equipment such as Primary Reformer, Secondary Reformer, Waste heat, Boilers, Coolers, Condensers, Urea Reactor, Valves etc. Provides Technical Services for maintenance and overhauling of Static Equipment in KAFCO, AFCCL, Eastern Refinery, SFCL

**Training:** Local Training in BUET- Dhaka and TICI- Norshindi

## EXPERT OF STATIC EQUIPMENT

**Mr. Md. BAHARA ALAM**

**Former Executive Engineer (Mechanical)**

Urea Fertilizer Factory Limited (UFFL)

Ghorashal, Norshindi, Bangladesh

**Education:** Diploma in Mechanical Engineering, Faridpur Polytechnic Institute

**Professional Experience:** 36 years professional experience in UFFL, Ghorashal, Norshindi on maintenance and overhauling works of Static Equipment such as Primary Reformer, PG Cooler, Boilers, Urea reactor, Heat Exchangers, Vessels, Pipe line, Valves Provides Technical Services for maintenance and overhauling of Static Equipment in CUFL, SFCL and KAFCO.

## EXPERT OF ELECTRICAL & INSTRUMENT

**ENGR. Md. RAFIQUUL ISLAM**

**Former Acting General Manager (MTS)**

Chittagong Urea Fertilizer Limited, Rangadia, Chittagong, bd

**Education:** BSc in Mechanical Engineering, BUET  
AMIE Graduate in EEE (IEB)

MBA (General), Bangladesh Open University (BOU)

IEB Life fellow no: F-5011

**Professional Experience:** 31 years professional experience in different factories of BCIC (CUFL, JFCL, KRCL etc.) on Electrical Instrument maintenance such as DCS, PLC, Control Valves, Controller, MCC transformer, ACB, VCB, Inverter, Conductor and all types of electrical Protection Relays etc.

Provides Expert Services on Instrument maintenance in CUFL, JFCL, UFFL etc.

**Training:** Training on "Automatic Process Control & Sequential Logic Operation." arranged by Training Institute for Chemical Industries (TICI), Narsingdi, Bangladesh.

## EXPERT OF ELECTRICAL & INSTRUMENT

**Mr. ABUL BASHAR TALUKDAR**

**Executive Engineer (Mechanical)**

Instrument Section, Chittagong Urea Fertilizer Ltd (CUFL)

Education: Diploma in Mechanical Engineering, BTEB, Dhaka

**Professional Experience:** 32 years professional experience in different factories of BCIC (CUFL) on Instrument Maintenance such as inspection, repair, maintenance and calibrate the different types of electrical, electronic instrument of Urea, Ammonia & Utility plant and different types of Transmitters, Controllers, Recorders, Counters, Switches, Indicator Monitors (Vibration & shaft shift), Control Valves, Emergency Valves & self-actuating Valves etc.

Provides Instrument maintenance in CUFL.

**Training:** Training in CUFL and TICI.

### List of Skilled Technicians

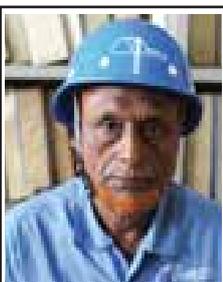

## MECHANICAL TECHNICIAN

**Mr. Md. Zakir Hossain**

**Former Master Technician (Machinery) UFFL**

**Professional Experience:** 35 Years' professional experience on Machinery maintenance in UFFL, CUFL, AFCL, Meghnaghat power Plant (450), Haripur Power plant (360), Kutubpur Power Plant (412) and Siddirgonj Power Plant (240).

**Mr. Shaheb Ali**

**Master Technician**

**Professional Experience:** 30 years professional experience in CUFL, BCIC on Rotary Machine maintenance such as Steam Turbine, Compressor, Pumps etc.

# MECHANICAL TECHNICIAN

**Mr. Md. Shahabuddin Mollah**

**Master Technician**

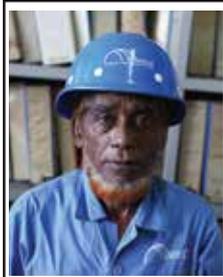

**Professional Experience:** 26 years professional experience in JFCL, BCIC on Rotary Machine maintenance such as Steam Turbine, Compressor, Pumps etc

**Mr. Md. Nazrul Islam**

**Master Technician**

**Professional Experience:** 36 years professional experience in AFCCL, BCIC on Rotary Machine maintenance such as Steam Turbine, Compressor, Pumps, Blower, Fan etc.

**Mr. Almas Mia**

**Master Technician**

**Professional Experience:** 35 years professional experience in CUFL, BCIC on Rotary Machine maintenance such as Steam Turbine, Compressor, Pumps, Blower, Fan etc.

**Mr. Md. Ibrahim Miah**

**Master Technician**

**Professional Experience:** 37 years professional experience in AFCCL, CUFL and UFFL, BCIC on Rotary Machine maintenance such as Turbine, Compressor, Pumps etc.

**Mr. Md. Joynal Abedin**

**Master Technician**

**Professional Experience:** 34 years professional experience in CUFL, BCIC on Rotary Machine maintenance such as Marine diesel Engine, Turbine, Various Pumps, valves, Propellers & Propulsion, Steering gears and Deck machinery etc.

**Mr. Md. Abul Kashem**

**Master Technician**

**Professional Experience:** 34 years professional experience in CUFL, BCIC on Static and Rotary Machine manufacturing, repairing and modification with operating of Lathe machine, Milling machine, Shaper machine, Surface Grinding, Tools Grinding, Up-Right machine, Radial drill machine & Portable facing machine etc.

# MECHANICAL TECHNICIAN

**Mr. BASHIR UDDIN**

**Foreman**

**Professional Experience:** 18 Years' Experience as a Rotary Machine Technician in different Power Plants.

**Mr. Md. Mostafizur Rahman**

**Mechanical Technician**

**Professional Experience:** 18 Years' Experience as a Mechanical Technician in different Power Plants.

**Mr. Md. Sofiulla**

**Mechanical Technician**

**Professional Experience:** 12 Years of Experience as a Mechanical Technician in Power plant.

**Mr. Md. Ikbal Hossain**

**Mechanical Technician**

**Professional Experience:** 07 Years' Experience as a Mechanical Technician in Steam Turbine at Haripur Power Limited 360MW CCPP, New Haripur Power Limited 412MW CCPP EGCB and 450MW Meghnaghat Power Ltd.

**Mr. Gias Uddin**

**Mechanical Technician**

**Professional Experience:** 05 Years' Experience as a Mechanical Technician in Haripur Power Limited 360MW CCPP and New Haripur Power Limited 412MW CCPP.

**Mr. Md. Samim**

**Mechanical Technician**

**Professional Experience:** 10 Years of Experience as a Mechanical Technician in Power plant.

## MECHANICAL TECHNICIAN

**Mr. Safikul Islam**

**Mechanical Technician**

**Professional Experience:** 08 Years' Experience as a Mechanical Technician in Power plant.

**Mr. Md. Sahajalal**

**Mechanical Foreman**

**Professional Experience:** 10 Years' Experience as Mechanical Forman in Haripur Power Ltd 360MW CCPP, New Haripur Power Ltd 412MW CCPP, Siddirganj Power Plant, Meghnaghat Power Ltd, North West Power Plant Kustia, Sirajganj Power Plant and Sylhet Power Plant.

## INSTRUMENT TECHNICIAN

**Mr. Md. Abul Kashem**

**Former Master Technician**

**Professional Experience:** 34 years professional experience in CUFL on Instrument maintenance such as Pneumatic Transmitter, Control Valves, Pressure Gauge, Solenoid Valves, Different types of switches, pneumatic & instrument pipe line/ tube line installation & maintenance etc.

**Mr. Md. Nuru Miah**

**Former Master Technician**

**Professional Experience:** 34 years professional experience in CUFL on Instrument maintenance such as Control Valves, Pressure Gauge, Solenoid Valves, Different types of switches, pneumatic & instrument pipe line/ tube line installation & maintenance.

# ELECTRICIAN

**Mr. Md. Rafiqul Islam**

**Former Master Technician**

**Professional Experience:** 40 Years' Experience as a Master Technician, Electrical maintenance in JFCL.

**Mr. Altaf Hossain**

**Former Master Technician**

**Professional Experience:** 36 Years' Experience as a Master Technician, Electrical maintenance in JFCL.

**Mr. Mohammed Abdur Razzak Khukon**

**Electrician**

**Professional Experience:** 12 Years of Experience as an Electrician in SUNGBO Development LLC.

**Mr. Md. Tarikul Islam**
